Message From The Co-Chairs

Today we celebrate our 134th Church Anniversary. We salute all of our ministries and all of the work you do throughout the year. Your faithful service is the engine that powers us as we do the Lord’s work. We thank our Pastor Reverend Dr. Donald D. Moore for your leadership and guidance. You are the captain of our ship and we are honored to follow your lead. We would like to thank our committee for all of your hard work and we could not do this without you. Lastly, to our honorees, we thank you for your service. We believe in giving people their flowers while they can still appreciate them. We honor you for the unselfish service to your church and all those who lives you touched.

Congratulations and Happy Anniversary

Mount Carmel Baptist Church History

Mount Carmel Baptist Church began with a small group of thirteen people who met in 1882 to establish a church in West Philadelphia where they could worship God in the Baptist tradition. Spearred by the dedication of the congregation, and under the positive leadership of eight pastors, the Church has grown and prospered now for 134 years.

During the early years, there were several physical moves before a permanent location and name for the church was determined. The early ministers—Reverend Lewis Tyler (1888-1892); Reverend Napper H. Hester (1894-1901); Reverend Lewis G. Jordan (1909-1903); Reverend G.C. Coleman (1904-1910); and Reverend Daniel W. Wisher (1911-1912)—contributed greatly to uniting the congregation and building a foundation for a strong Mount Carmel Church. Leadership stability began with the 19-year tenure of Reverend Thomas D. Atkins (1913—1932). Under the direction of Reverend Atkins, Church membership increased, many debts were paid off and the first pipe organ was purchased.

Rev. Dr. Dennie W. Hoggard was called to the Church in 1932 and led the congregation for 31 years, (1932 through 1965). During his pastorate, Rev. Hoggard directed several church beautification and expansion programs. The church edifice was enlarged; new pews, stained-glass windows, and a new pipe organ were a few of the changes that occurred in the Sanctuary. Rev. Hoggard stressed the need for community involvement programs. Mount Carmel purchased and administered the program at the Robert Wood Home for Children. The Church also conducted a nursery and daycare program in the Church. Mount Carmel became known as "The Church in the Heart of West Philadelphia for the Hearts and Hands of the People".

Reverend Dr. Albert F. Campbell guided Mount Carmel for forty-seven plus years, (1966—2013).

On September 27, 2014, Reverend Dr. Donald D. Moore was called by the congregation of the historic Mount Carmel Baptist Church to serve as its ninth Pastor. Dr. Moore is a native of Wilmington, North Carolina. He is married to the lovely Dr. Pamela Moore. As Pastor, Dr. Moore assumed the pastoral role and responsibilities for a congregation and church with a vibrant and rich history. During the first year as pastor, Mount Carmel has created viable partnerships with the University of Pennsylvania, and Children’s Hospital of Philadelphia expanding the role the church serves for it’s members and the community. For 134 years Mount Carmel has served the people and community of West Philadelphia. The impact of today’s many spiritual and social issues intensifies the desire of Mount Carmel to move forward as “One Church Working Together".

Benediction
Reverend Dr. Albert F. Campbell, born September 19, 1932, Wichita, Kansas. Dr. Campbell guided Mount Carmel for forty-seven years, (1966-2013). He defined the Mount Carmel congregation as a “People in Pilgrimage” who depend on God for mercy and guidance as we travel to the Promised Land. He was known as a visionary leader and under his leadership, Mount Carmel gained worldwide recognition as a dominant force for preaching the word, serving the congregation, providing programs for the youth and supporting people in the community. Pastor Campbell was responsible for establishing the Church Mission Statement which defines our goal of meeting the “…spiritual, physical, emotional, social and economic needs of membership and community.”

Many successful projects and programs were completed during the Campbell Era: The Mount Carmel Garden Apartments to support housing needs in the West Philadelphia community; the burning of a nearly one million dollar mortgage that paid for major church renovations and expansions and for the erection of an Educational Service Building; the purchase of the Community Service Property at 5900 Race Street; the purchase of the new Church Organ; the installation of the Church Elevator; and the renovation of the Lavatories.

Dr. Campbell educational experiences consist of a Master of Divinity, from Union Theological Seminary, New York, Bachelor of Arts from Bishop College, Fort Worth, Texas, and an Honorary Doctor of Divinity Degree from Eastern Baptist Theological Seminary.
