As we moved into the 21st Century, we pledged to be “A Revolutionary Church Engaged in Revolutionary Services to Make a Difference” in the lives of our congregation and community. The church ministries addressed this pledge by establishing new programs and outreach projects. Pastor Campbell led us to high levels of spiritual enlightenment, discipleship and service for 47 plus years before he retired at the end of 2013 and became the Pastor Emeritus. On August 20, 2018, Mayor Jim Kenney and the Philadelphia City Council honored Reverend Dr. Albert F. Campbell for his service in the West Philadelphia Community by naming the 5800 block of Race Street the Albert F. Campbell Way.

December 14, 2014 marked the beginning of a new era for Mount Carmel. Rev. Dr. Donald D. Moore was installed as the 9th Pastor of the Church. Pastor Moore feels strongly that in today’s society, there are many spiritual and social issues that impact the congregation of a church and the communities in which they live. Dr. Moore’s vision for Mount Carmel is based on the concept that the church, in addition to ministering to the members of the church, must also minister to the community outside the church. Dr. Moore encourages church ministries to plan and integrate activities so that we become “One Church Working Together”, as we strive to impact our community by being, “The Hearts and Hands of West Philadelphia.”

During the past 4 years, Pastor Moore has encouraged the participation of Church Ministries and members with the following Community Agencies and services: Chosen 300, providing meals for homeless people; Barry School Early Literacy Reading Program; collecting backpacks and school books for Barry School students; providing funds to teachers at Barry and Daroff Schools for supplies; working with the Baptist Women’s Center to Feed homeless people; collecting socks and toiletries for nursing home residents and conducting musical programs for them; providing medical supplies and clothing for Haiti; partnering with state and local representatives to provide Community Informational Sessions to address programs and services for the elderly including legal and health issues; and informing our youth about available educational and recreational programs.

In his great Commission, Jesus told his disciples in Mark 16:15-16: “go unto all the world and preach the gospel to all creation. Whosoever believes and is baptized will be saved but whosoever does not believe will be condemned.” Pastor Moore is encouraging church members to follow this commandment and spread the good news of our Lord and Savior to all the people that we encounter as we give service.

We are now in the early years of new leadership under the pastorate of Dr. Moore. The pressing spiritual and social issues of today have intensified Pastor Moore’s desire to have Mount Carmel move boldly forward in its mission to be “One Church Working Together” to be “The Hearts and Hands of West Philadelphia.”

We have just celebrated 4 years of having Pastor Moore as the under shepherd of Mount Carmel. He has proven himself to be a powerful man of God with his Insightful preaching, teaching and his attentiveness to the quality of social justice for all people.

Micah 6:8 states,"he hath shewed thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God? This Bible verse is an excellent portrayal of Rev. Dr. Donald D. Moore’s walk as he shepherds his flock at Mount Carmel and advocates for the needs of this West Philadelphia Community.
